

Policy: Partnerships

Purpose	The purpose of this policy is to assure that the Coalition supports activities that advance the Coalition's goals.
Policy/policy statement	It is the policy of the Coalition to support worthwhile patient safety endeavors, programs, or initiatives of other organizations, or to be a partner in these endeavors when such partnership advances the patient safety goals of the Coalition.
Procedures	<ol style="list-style-type: none"> 1. Staff will provide to the Executive Subcommittee a description of the request, including the sponsoring organization, definition of the Coalition's role (including use of logo), and/or letter of agreement. 2. The Executive Subcommittee will review the information and make a decision. 3. At its discretion, the Executive Subcommittee may bring the request to the full Steering Committee for a vote at its next meeting.
Implementation and monitoring plan	Staff will review requests from external organizations and bring to Executive Subcommittee for review and advice if necessary. Staff will report annually to Steering Committee.
Next review date	Annually: November 2014
